

Scenario snippets

Zelf visuele scenario's maken

Zo maak je een scenario:

Kies een omgeving.

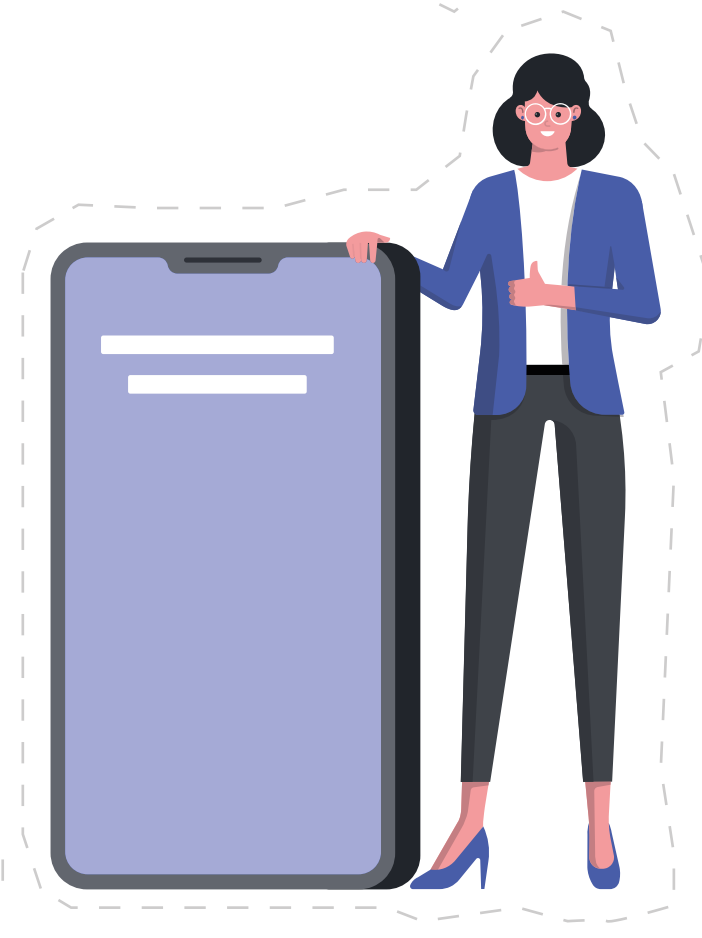

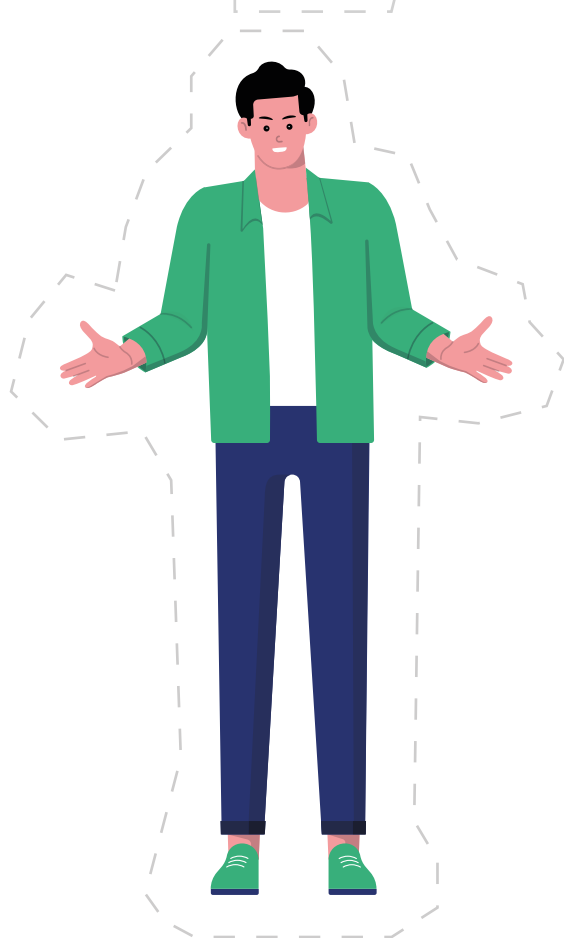

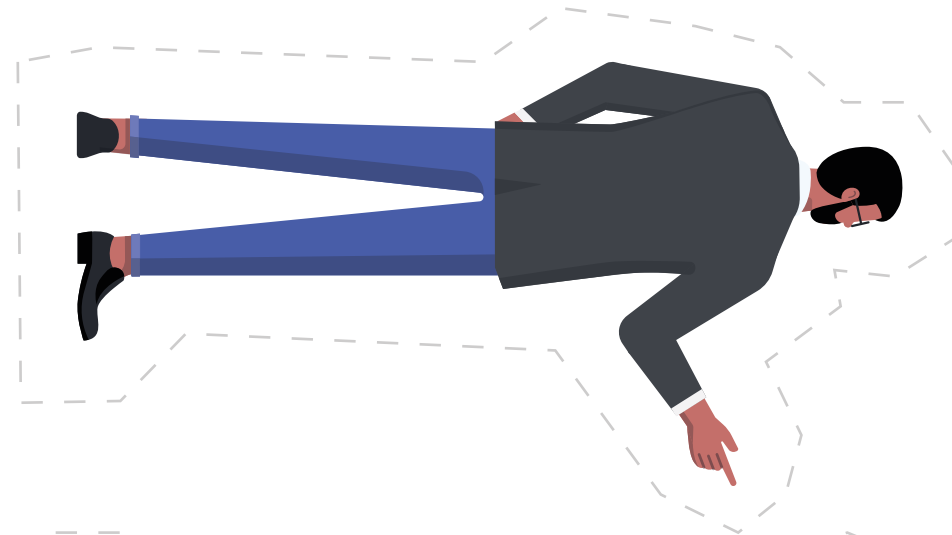

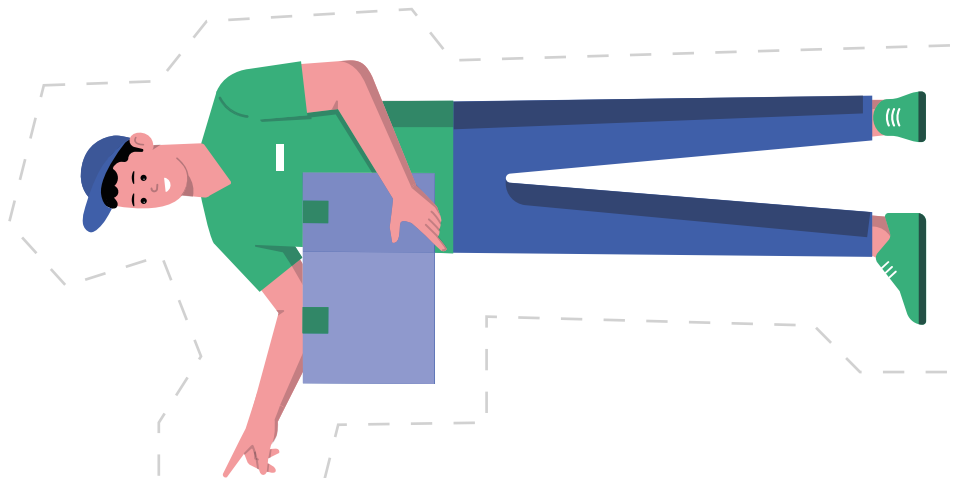

Knip en plak de mensen en objecten die je erin wilt plaatsen.

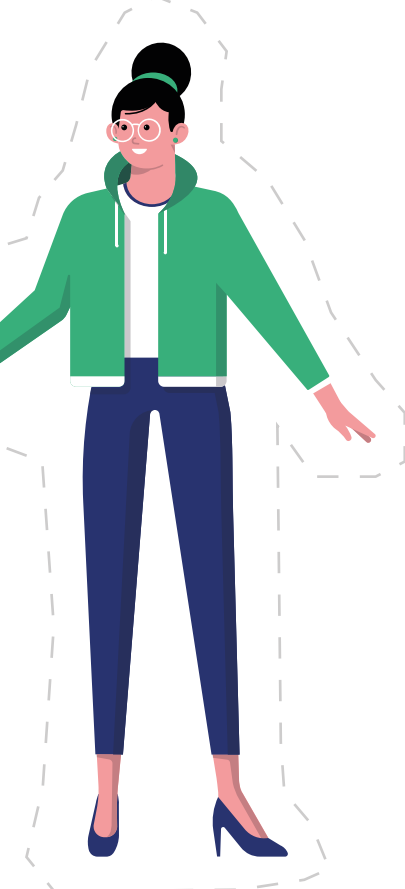

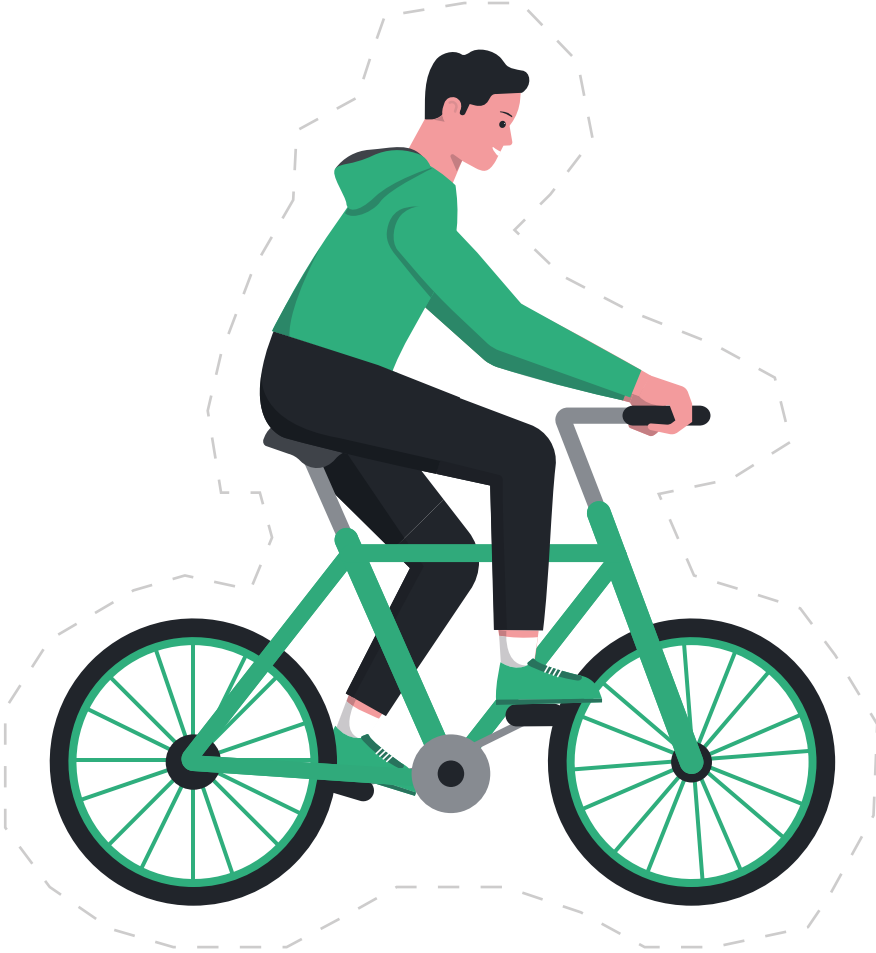

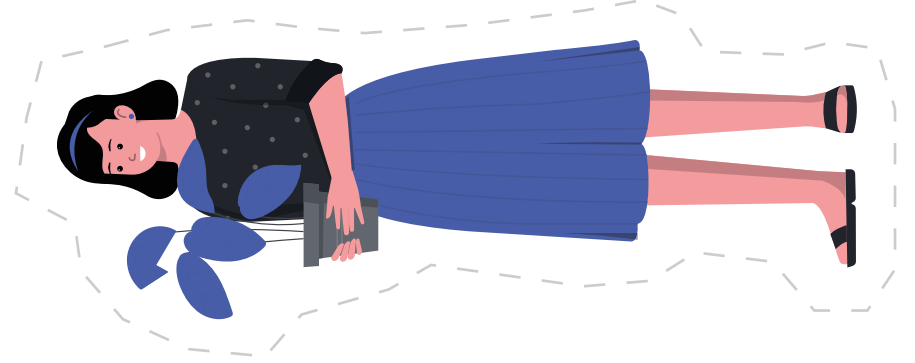

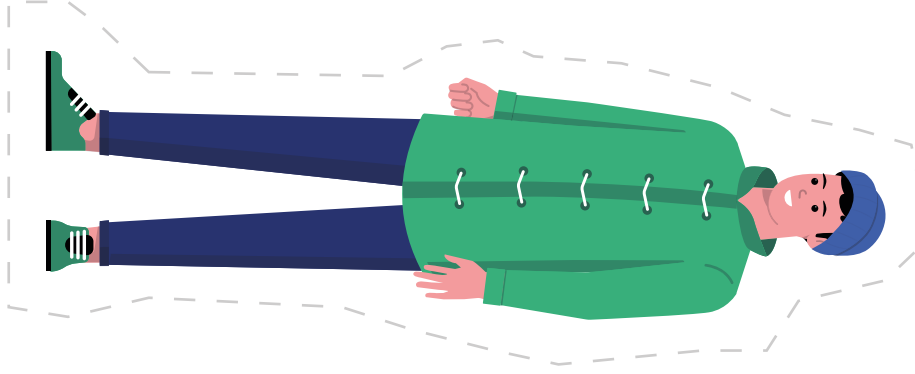

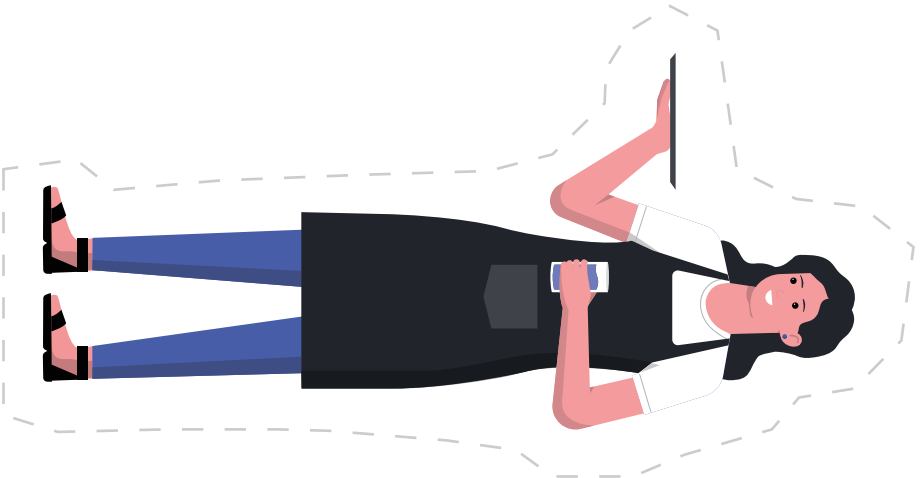

Knip, plak en schrijf over de interactie tussen de objecten en de mensen.

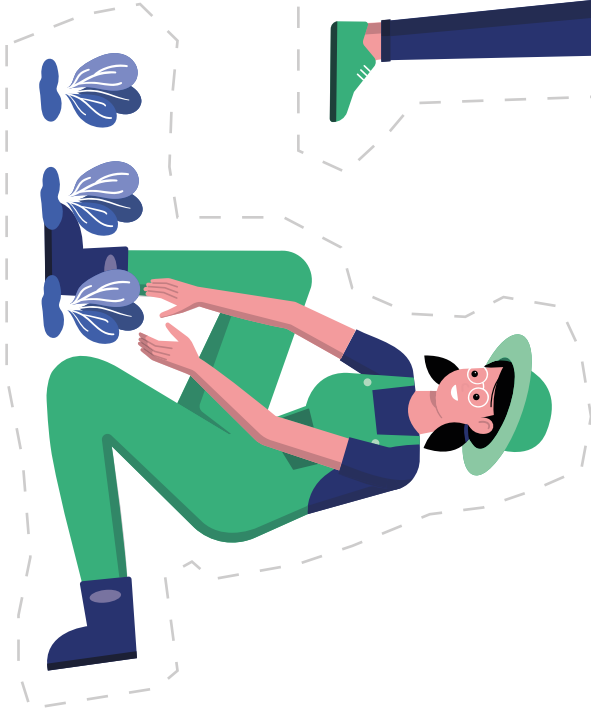

Mensen

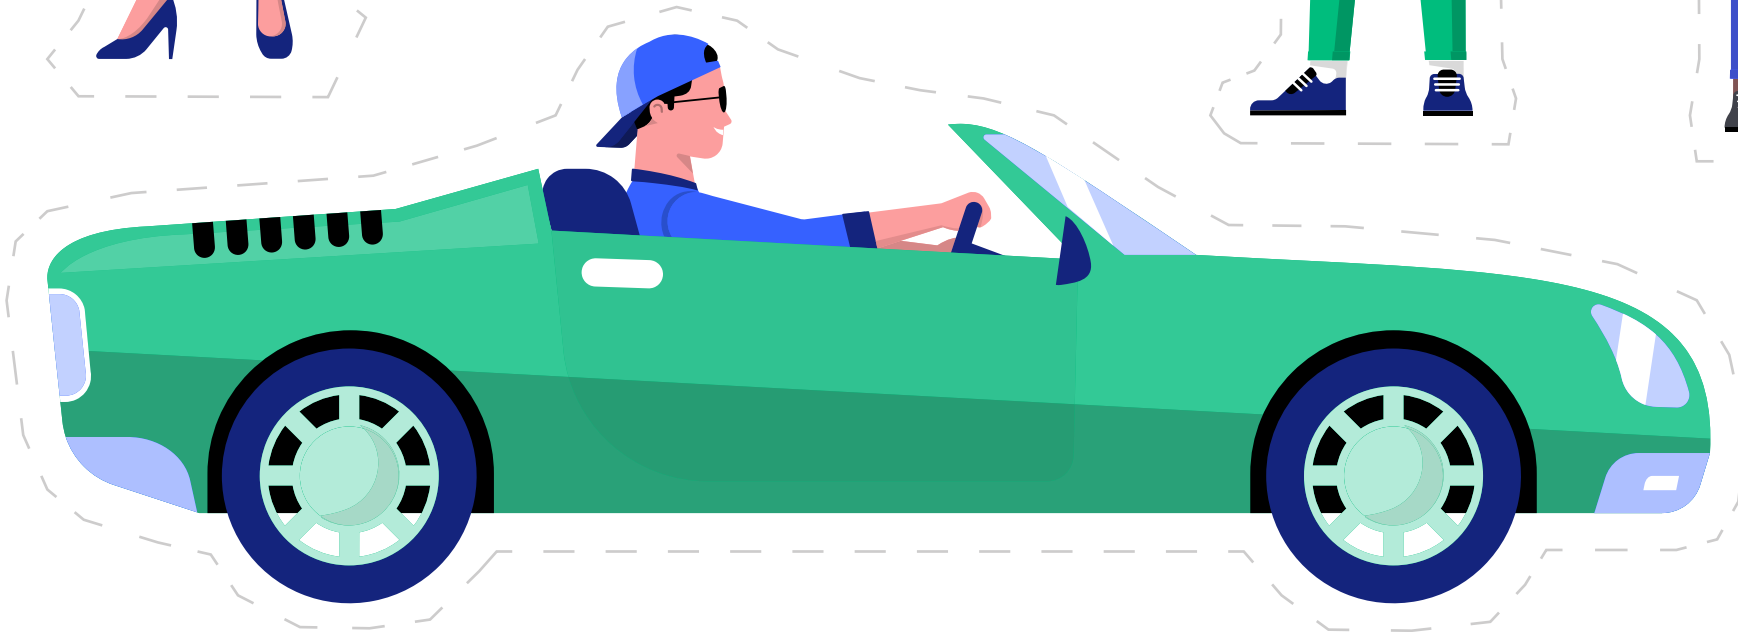

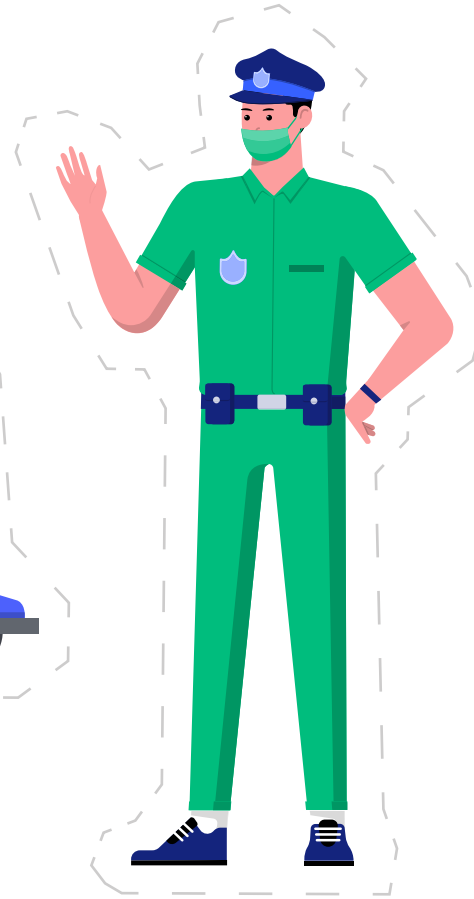

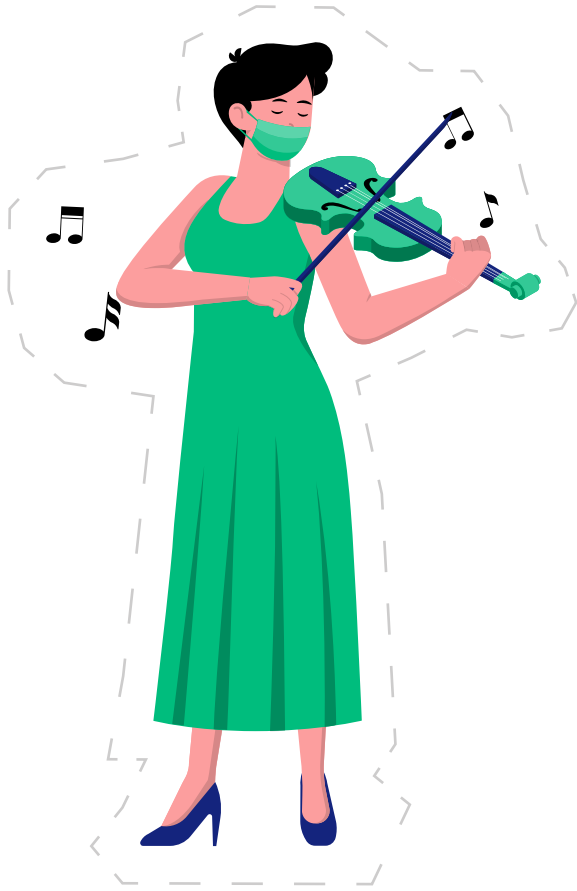

Wie spelen een rol in jouw scenario?

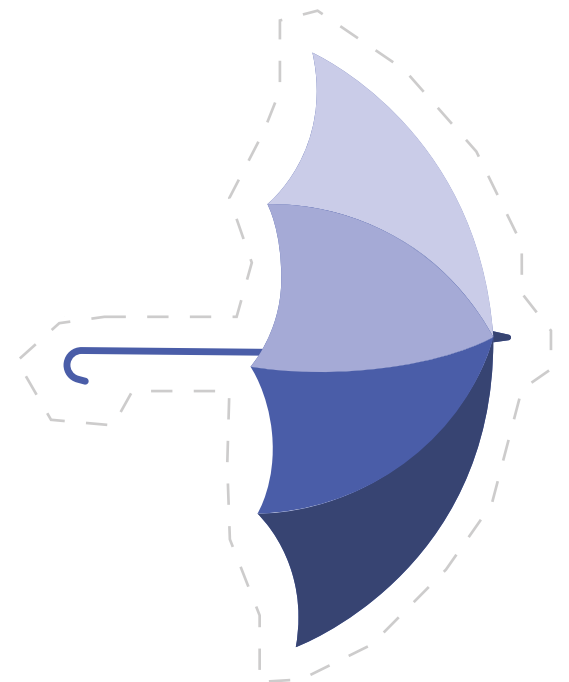

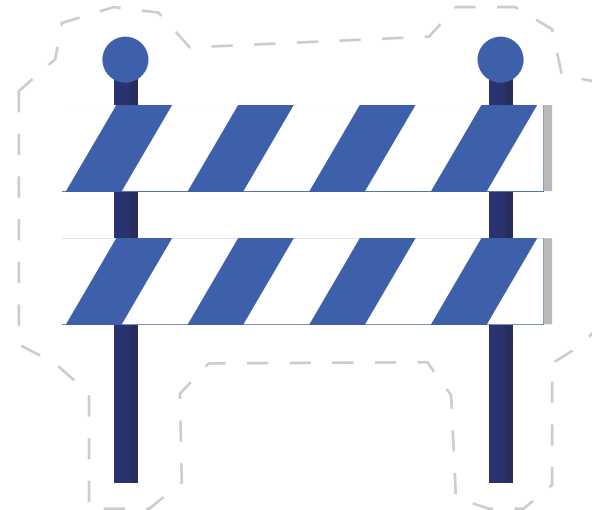

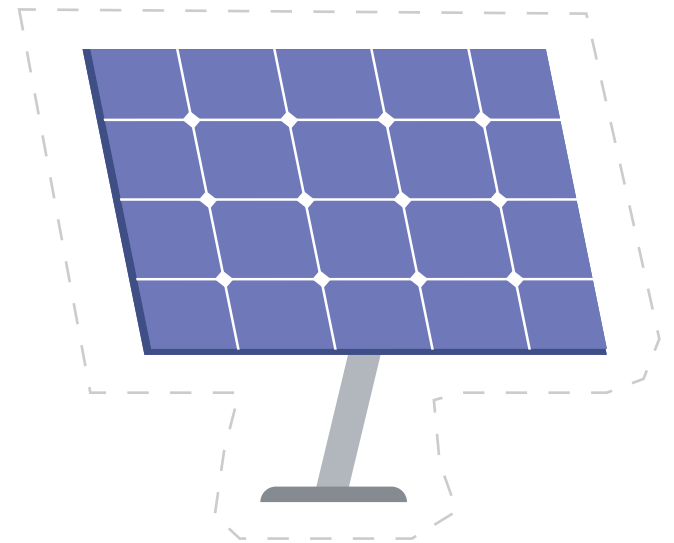

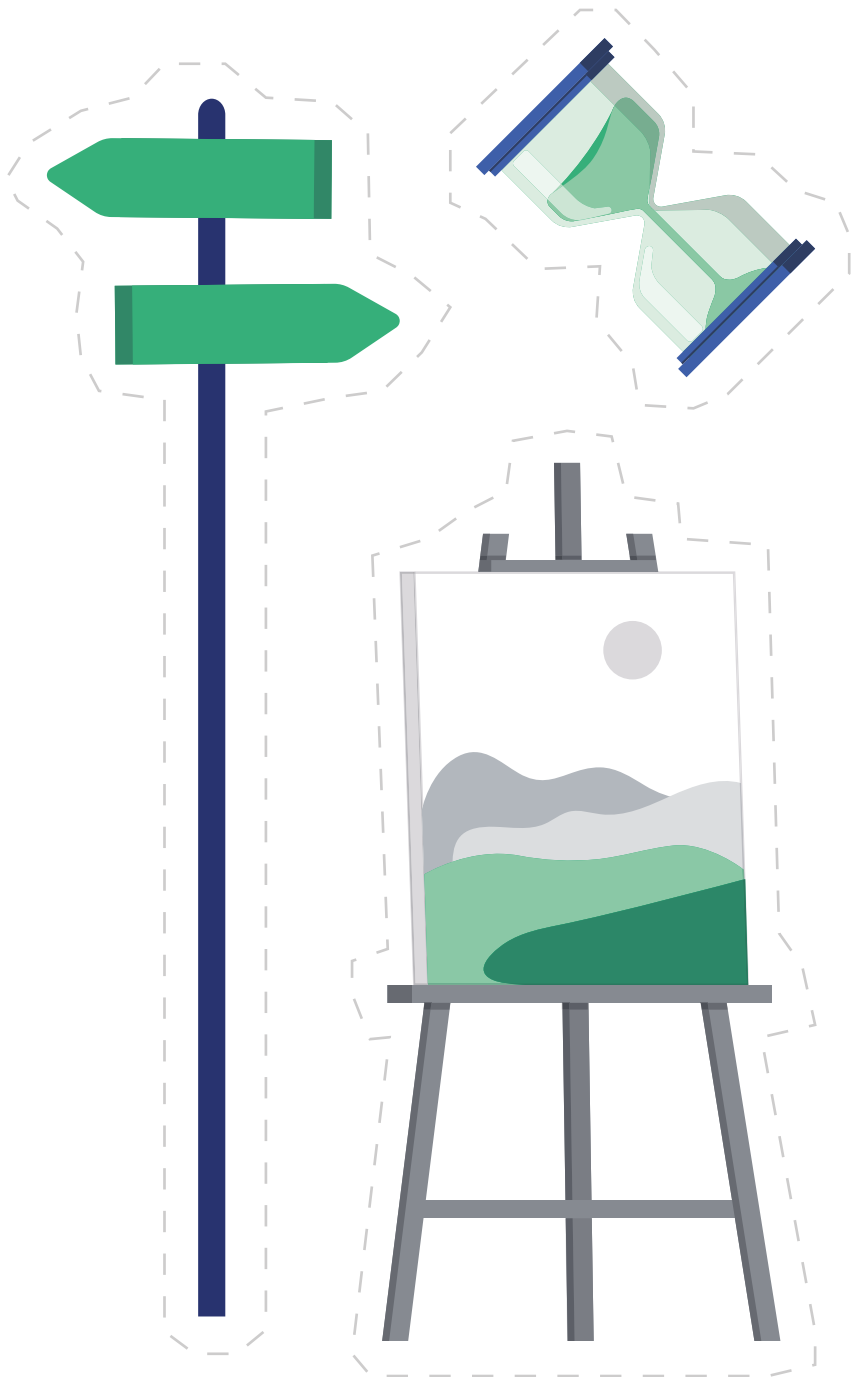

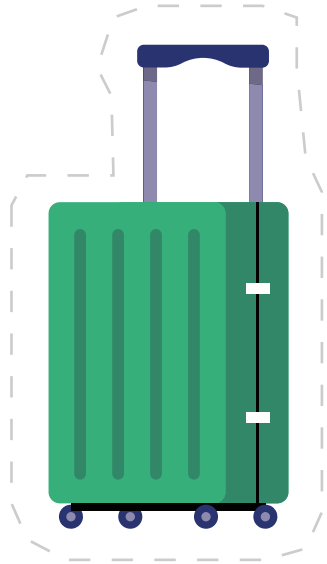

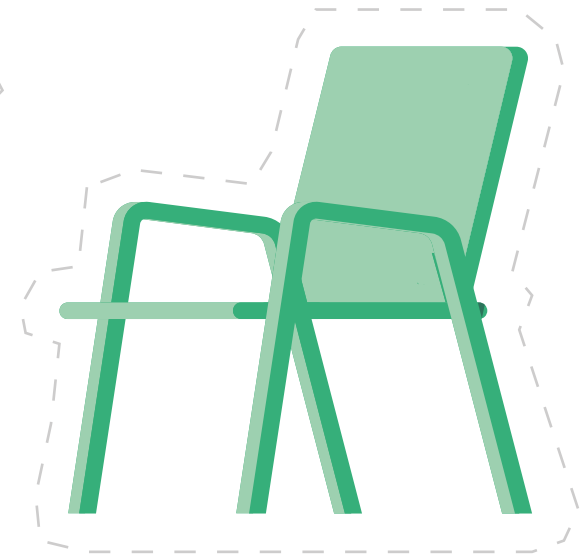

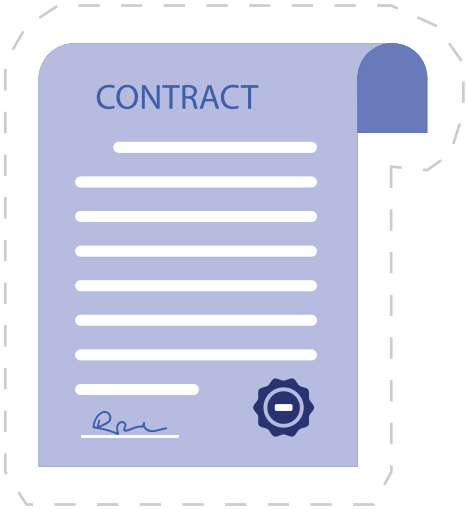

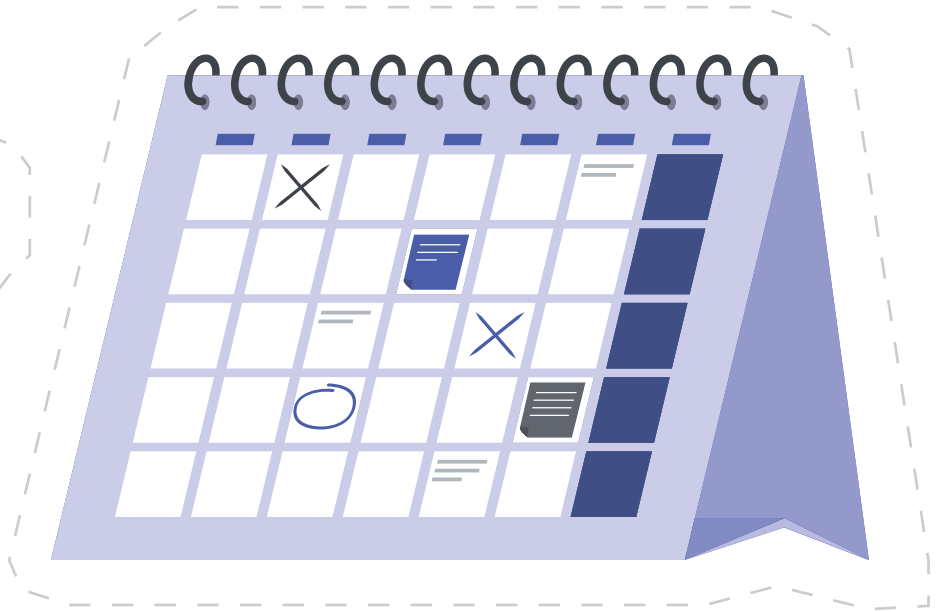

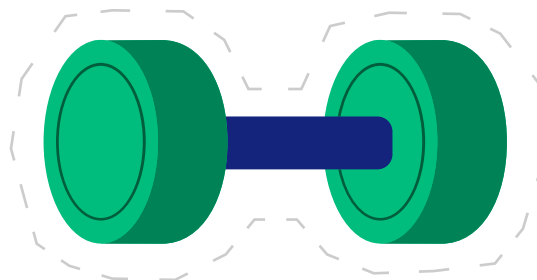

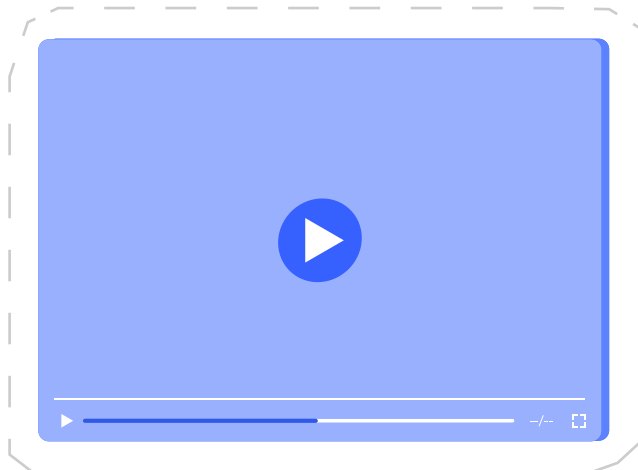

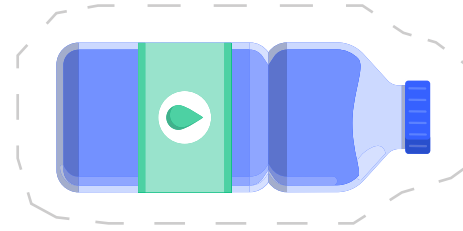

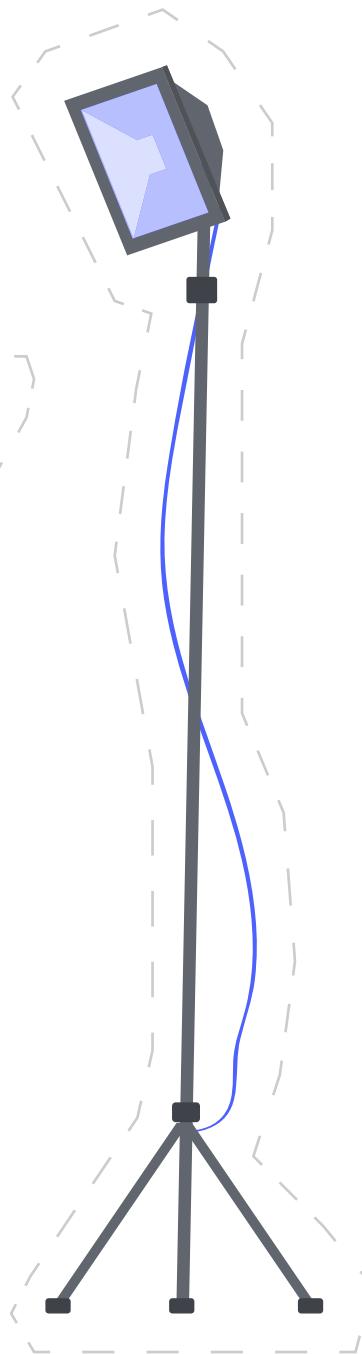

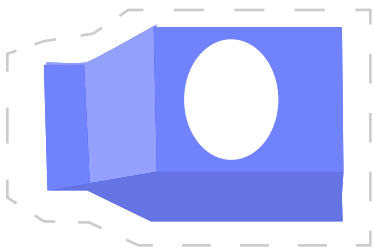

Objecten

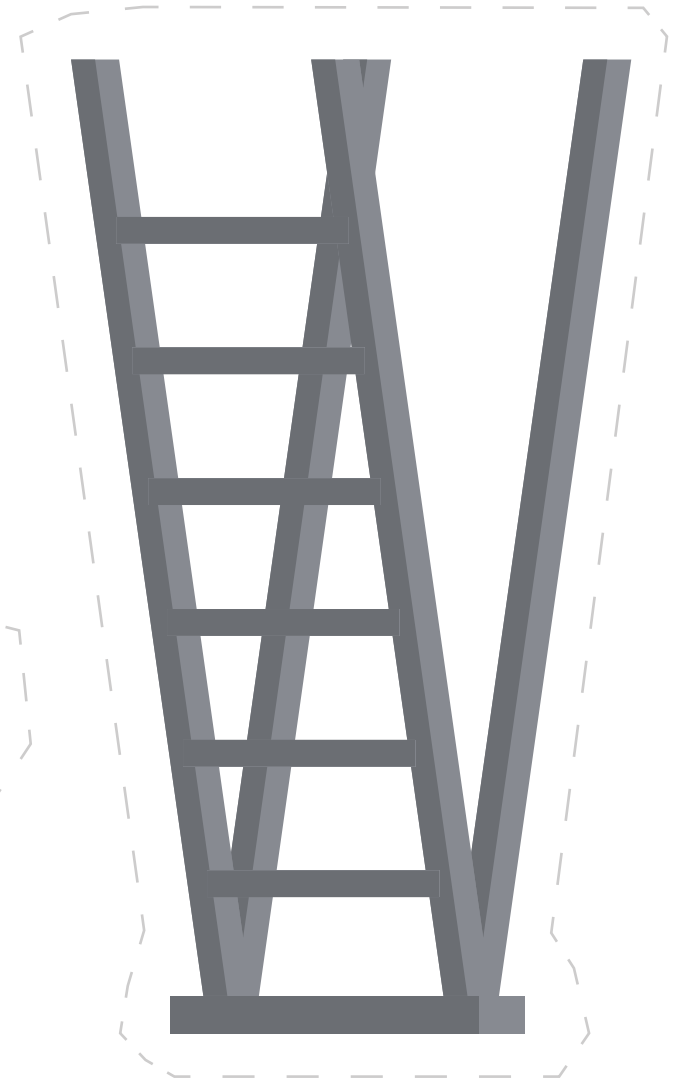

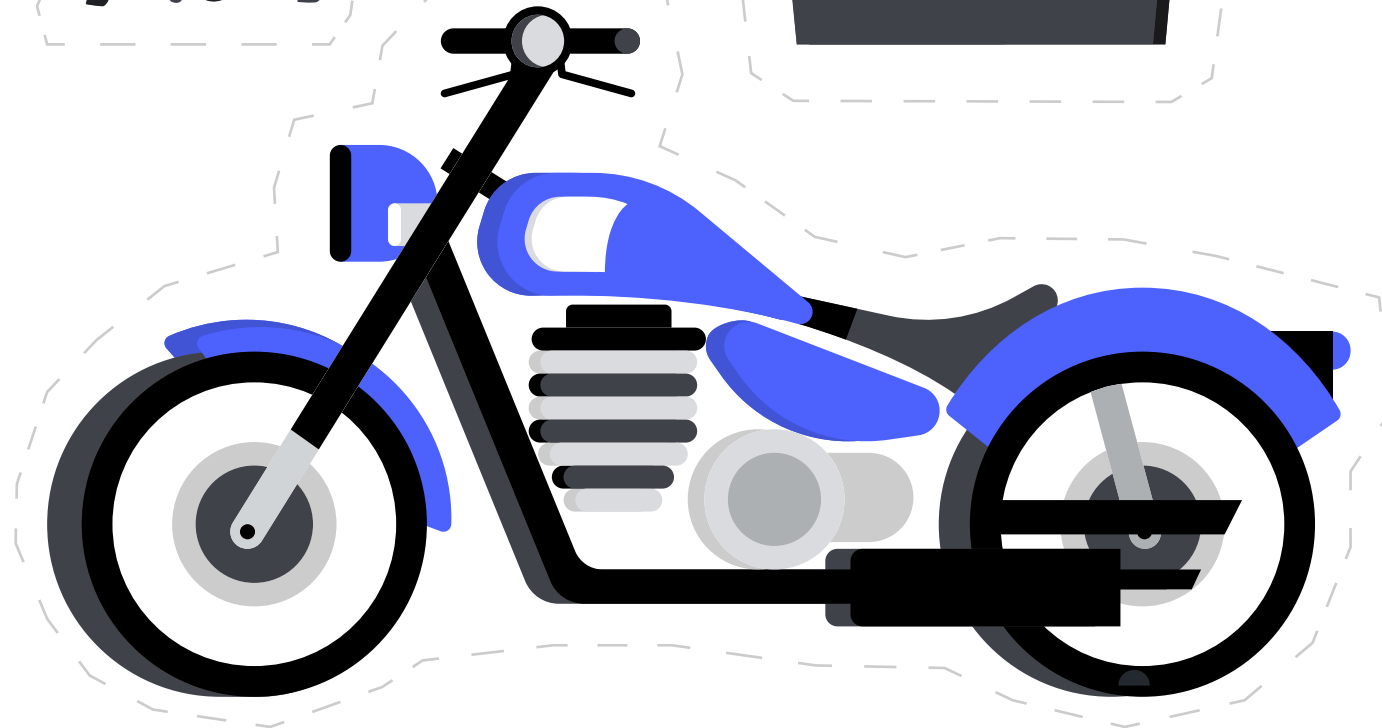

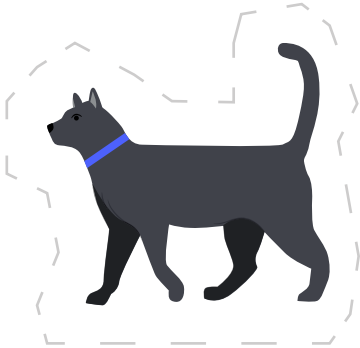

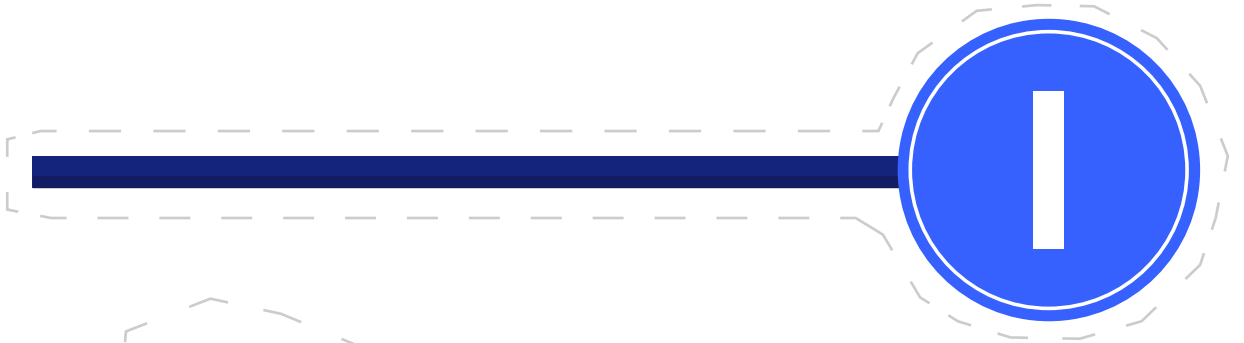

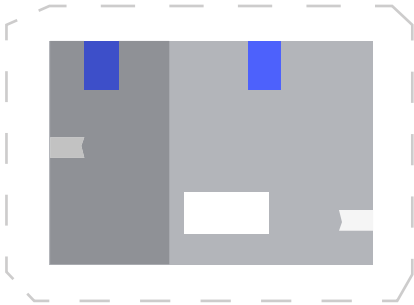

Wat wordt er gebruikt in jouw scenario?

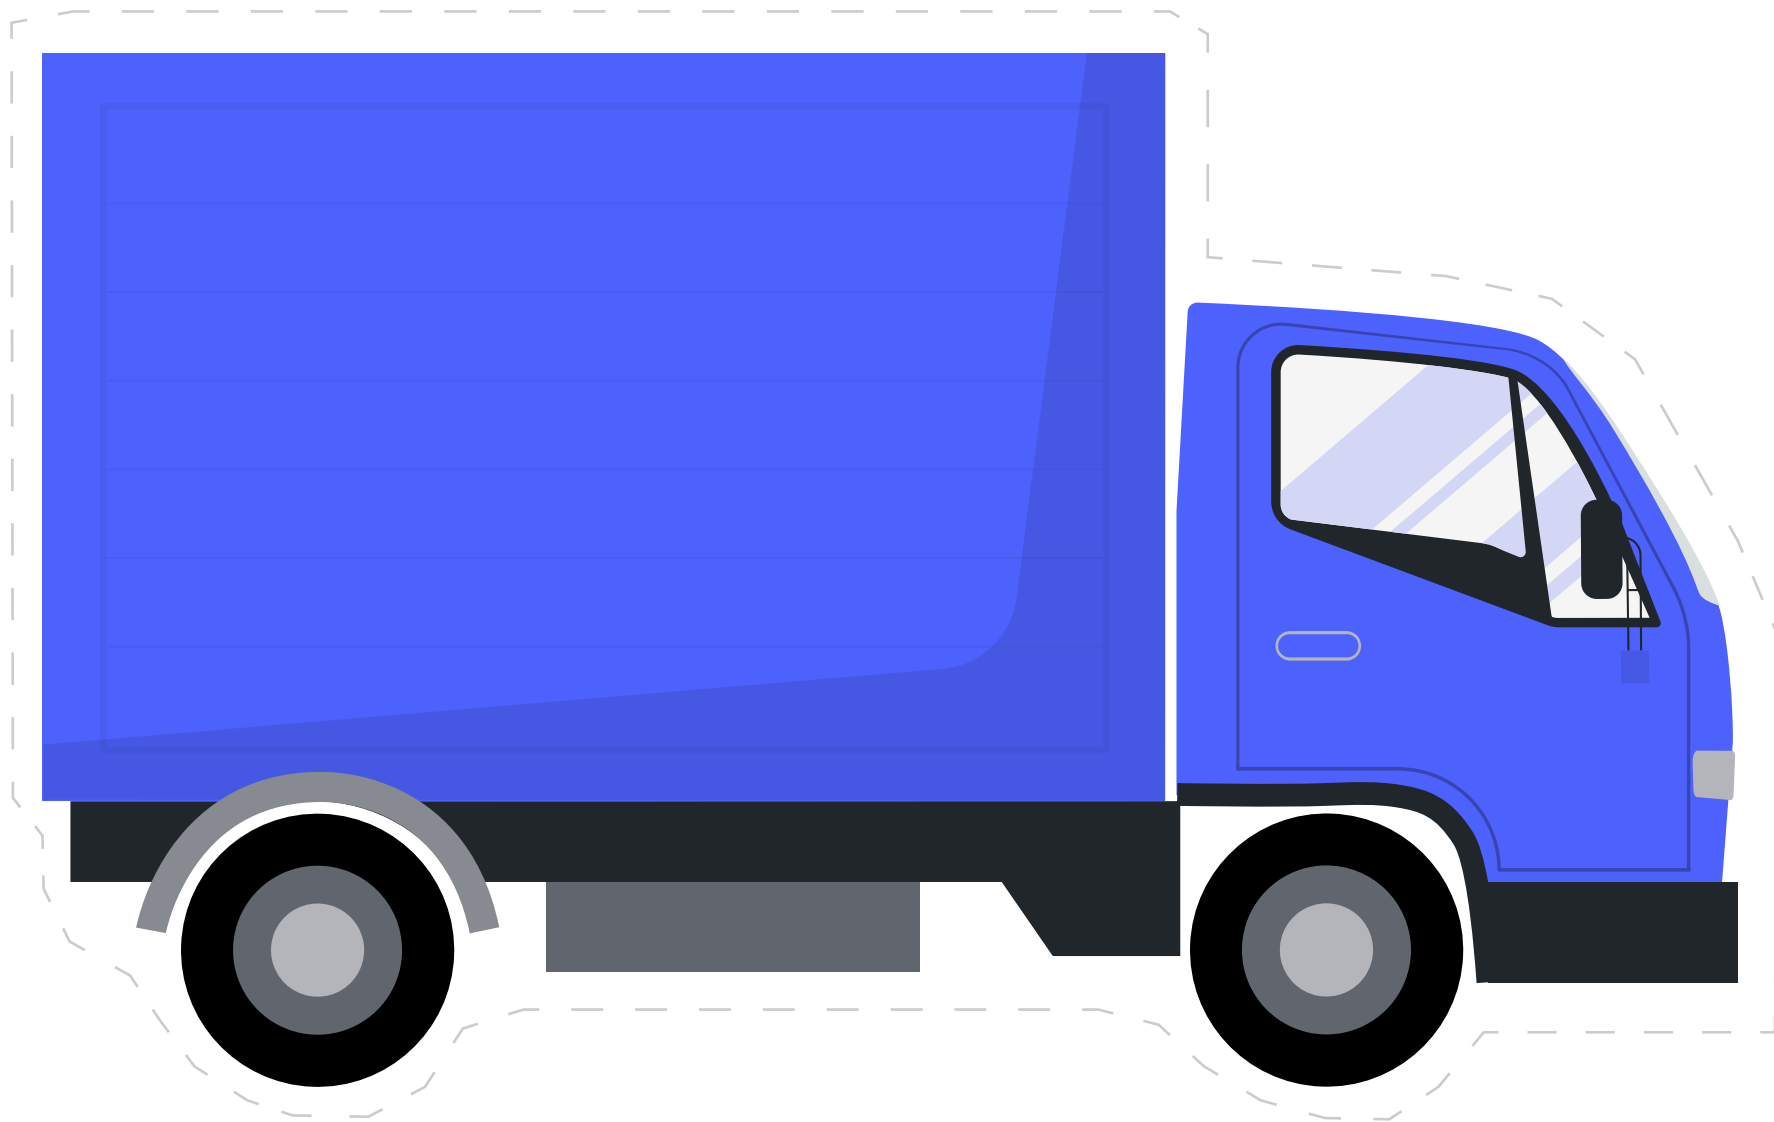

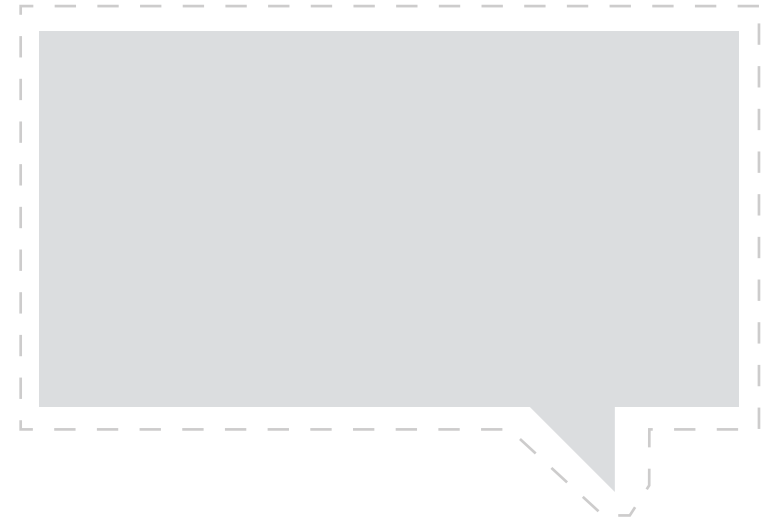

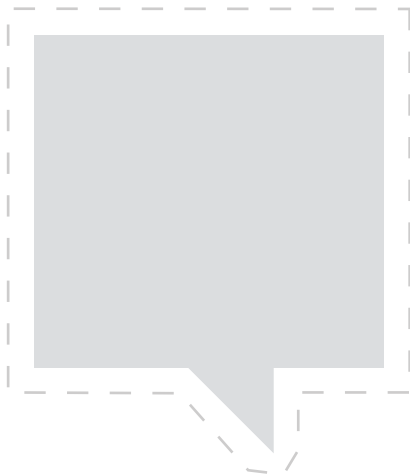

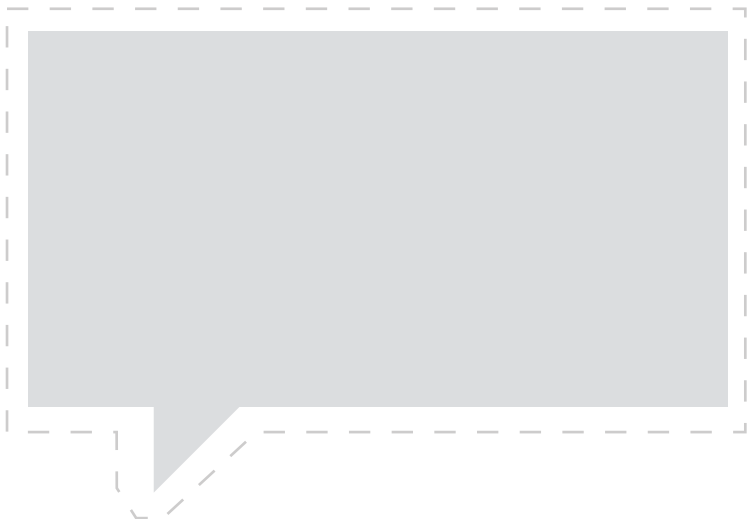

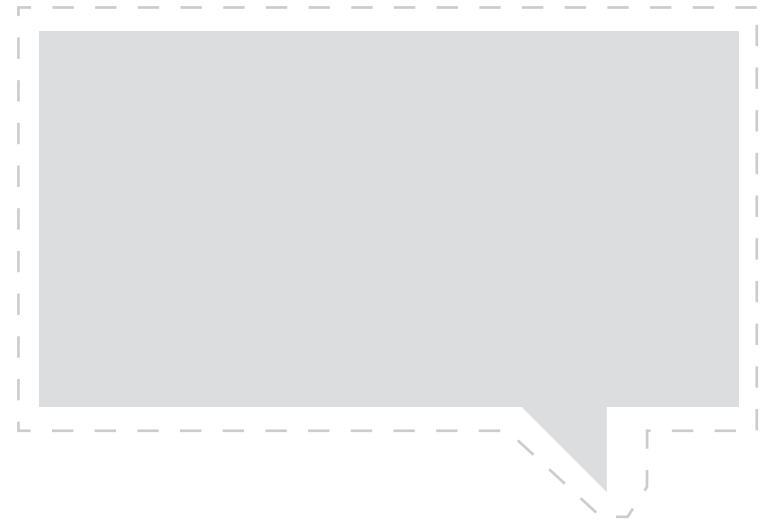

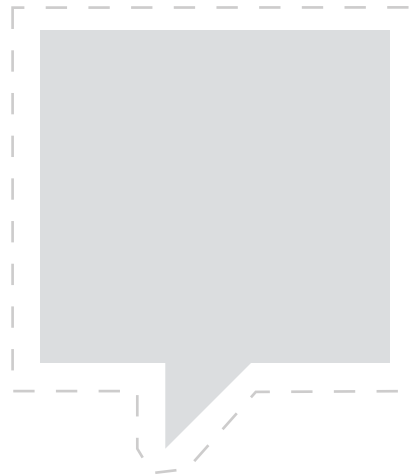

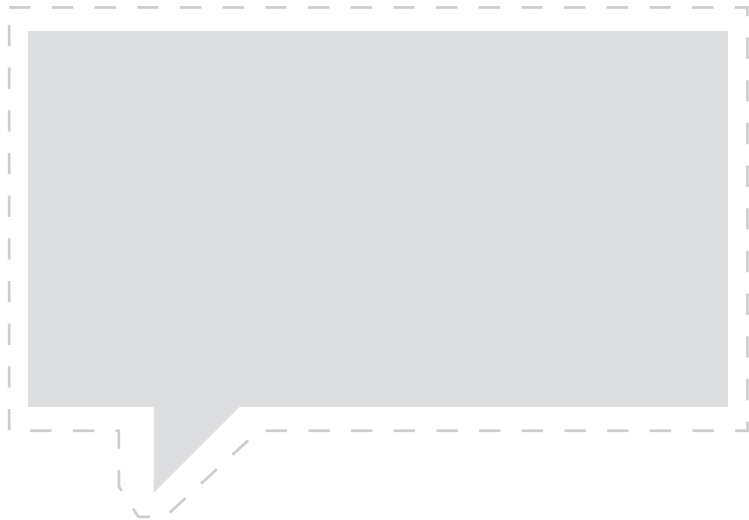

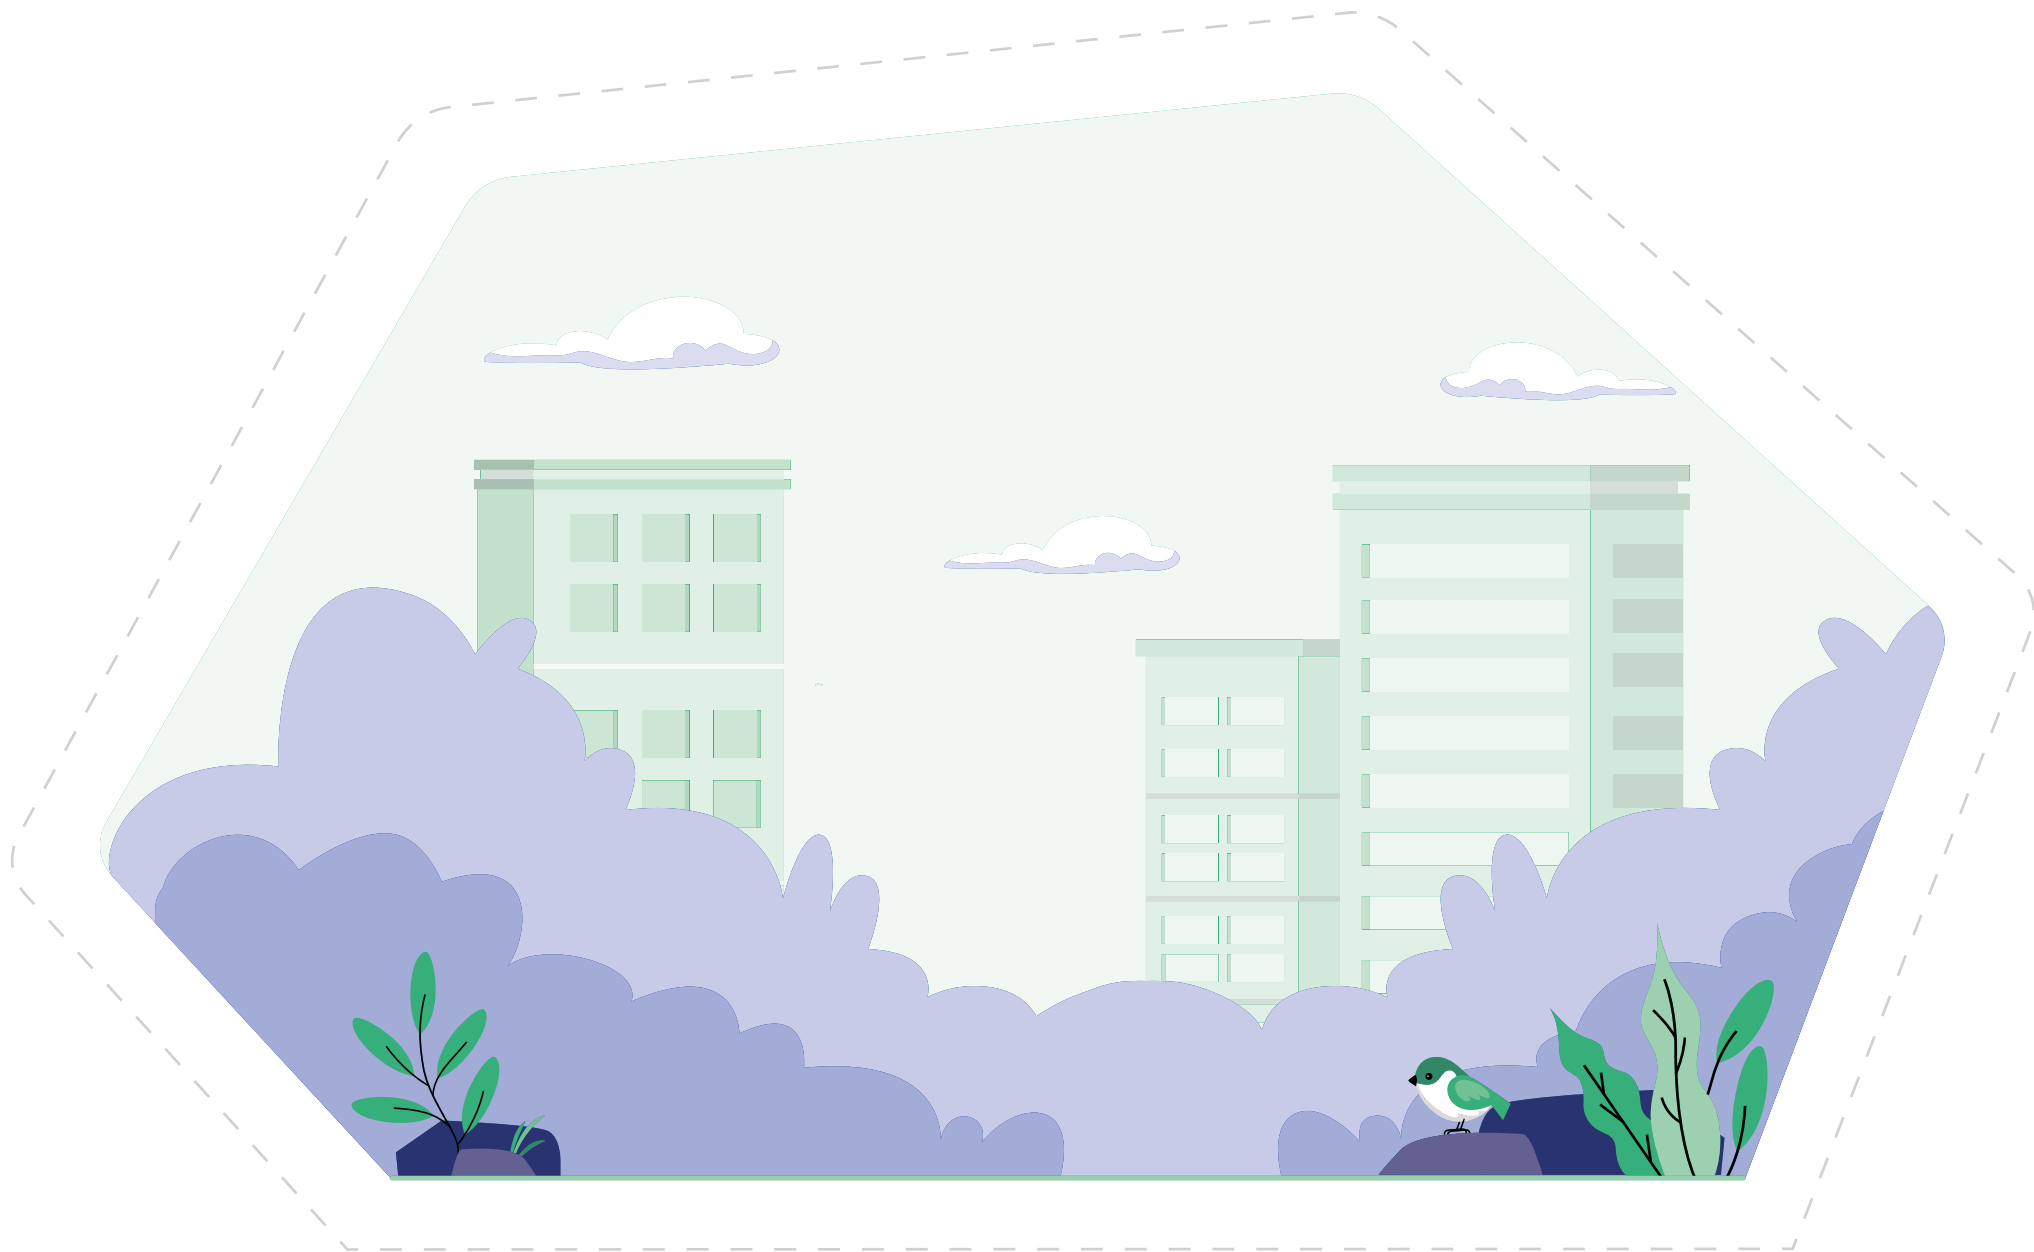

Interacties

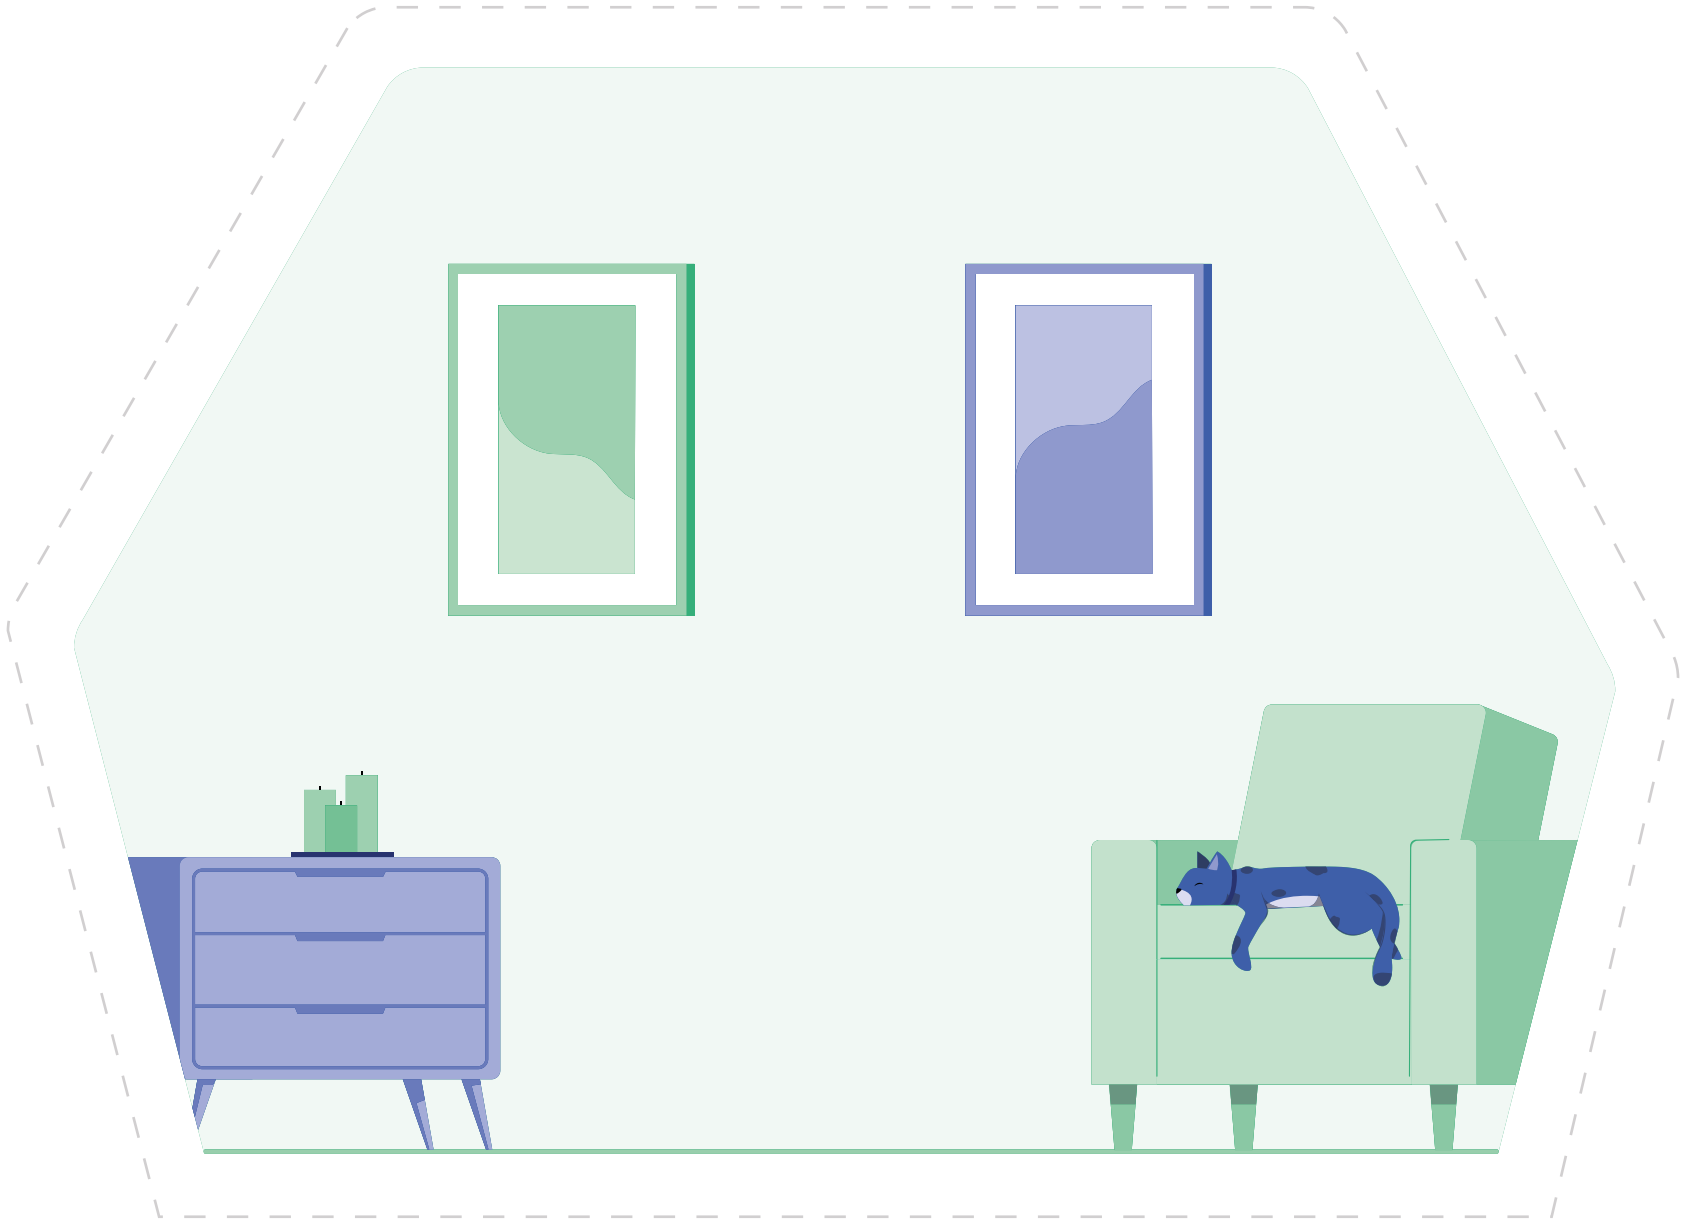

Hoe gaan dingen in jouw scenario met elkaar om?

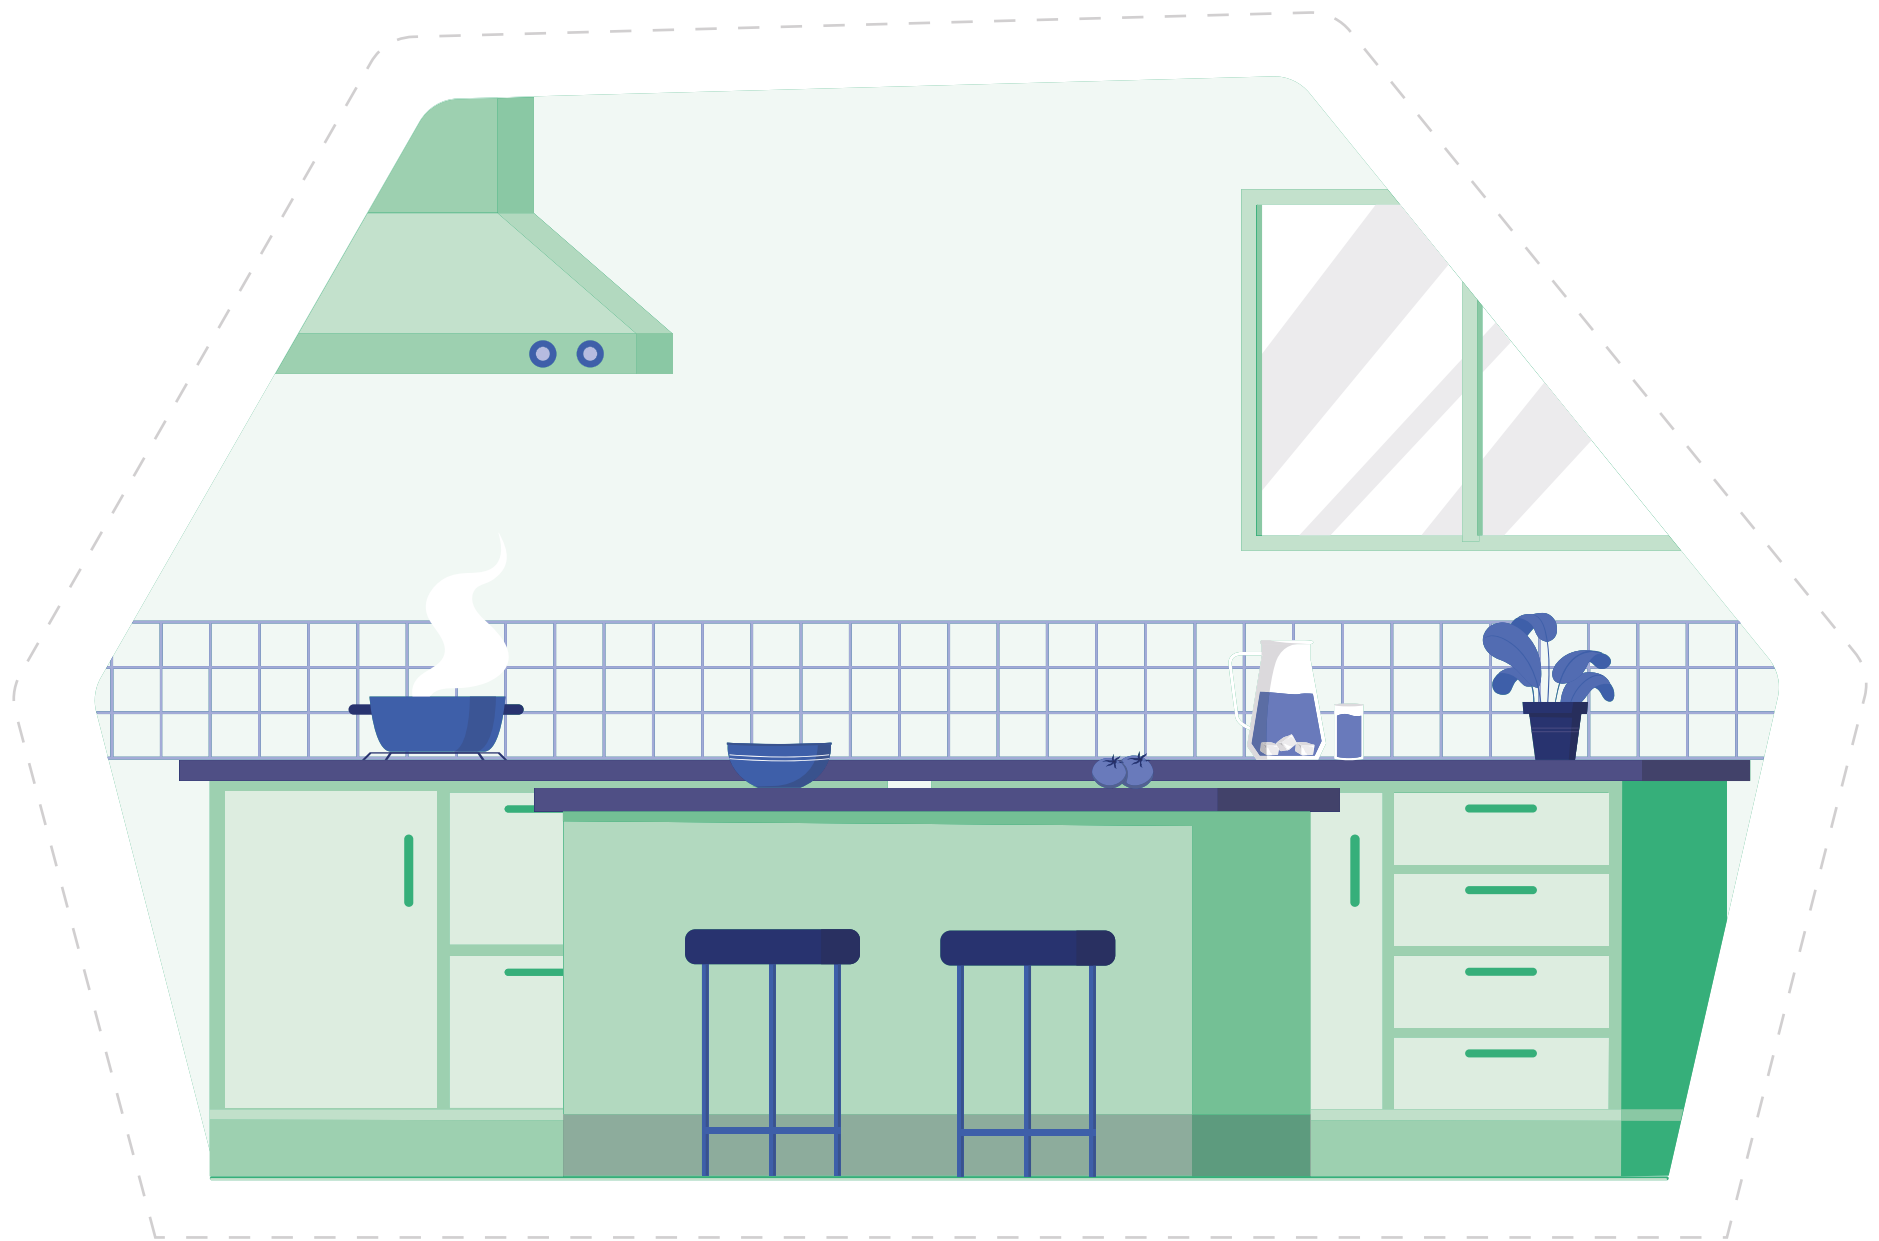

Omgeving

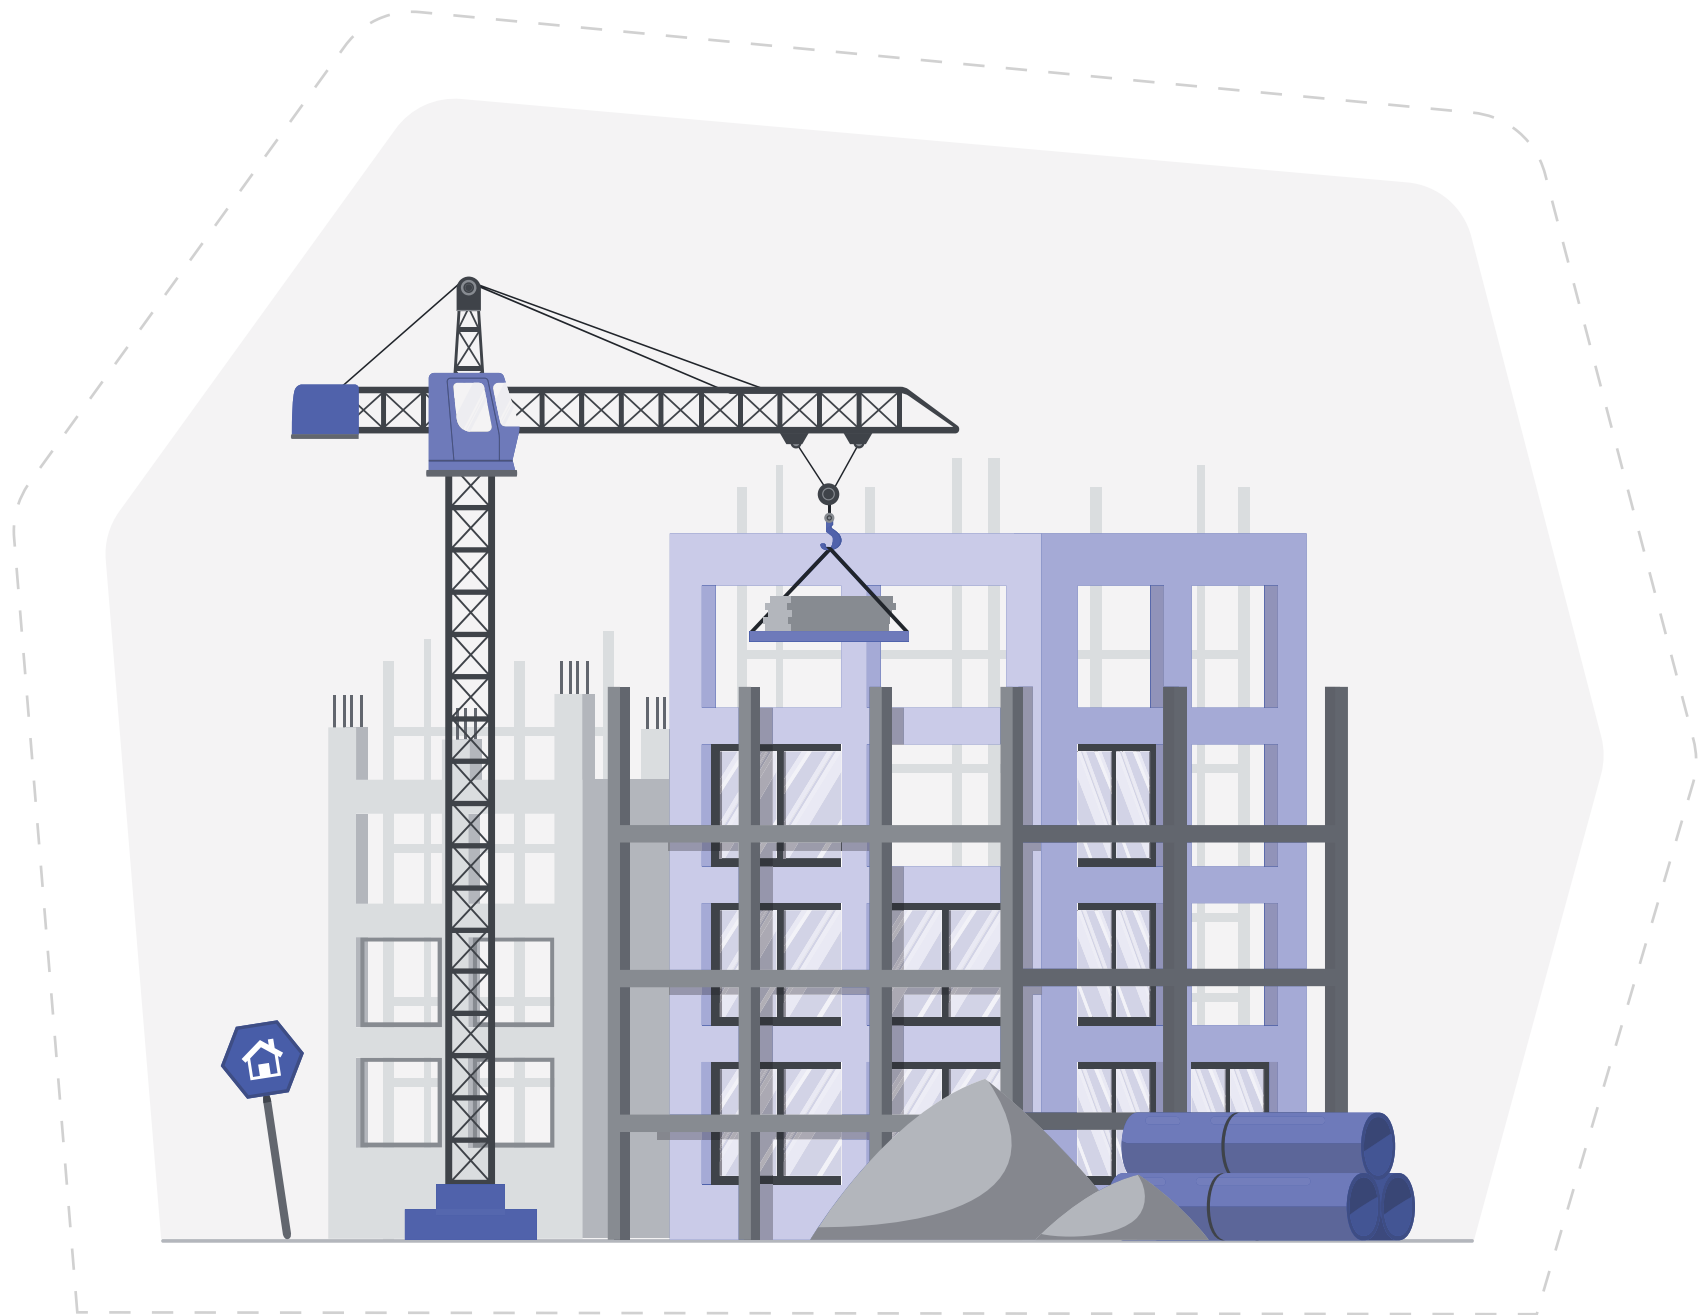

In welke situatie speelt jouw scenario zich af?
